

DEFONT FAMILY DENTAL

INSTRUCTIONS FOR INTRAVENOUS SEDATION

1. Wear loose clothing; short sleeves with a button down front.
2. A responsible adult must accompany you home. You may not leave alone, even by bus or taxi.
3. Medications may have been prescribed for you. Take only as directed.

Postoperative Instructions

1. Prolonged drowsiness can occur. Perform no activity requiring mental alertness (i.e. driving).
2. Do not drink alcoholic beverages.
3. Do not take any other central nervous system depressants (i.e. sleeping pills or tranquilizers).
4. Ask your dentist before you take any other medications.
5. A responsible person should be with you until you have fully recovered from the effects of the anesthetic.
